

# PORTABLE UNITS

## Staying Cool with Minimal Downtime

### ABOUT

Planned or unplanned, short-term, or long-term needs, ACS offers portable AC unit rental services when you need us most.

Our portable AC units are ideal for use as emergency, supplemental, and back-up solutions for your general office spaces in need of relief. We provide solutions, resources, equipment, and industry-leading service to get the job done.

# At ACS, your comfort is our passion.

Let us keep you and yours cool during a repair or replacement of your HVAC unit(s). Our technicians are trained to install these portable units quickly to ensure minimal downtime.
